**BIG BROTHER #64:****ADDITION TO BIG BROTHER RULES****RULE #24. Only one addition to Rule 24.****A. be accepted and****Examples:****1) Winter.****If it's time for Winter you may****Inter & Spring.****RULE #24. Moves must be spelled out. A statement****"Use the****B. same moves as last time, or this time,****to be a legal****move in Big Brother.**

**Editorial:** This GameMaster believes in such things as truth, "Fair Play" and ethics! Our 23rd Rule states that "We will NOT Accept moves after deadlines." Since we always give at least twelve day deadlines. (Some shortsighted and incompetent gamemasters have been using seven & even five days for builds. This is very silly!) Any gamemaster that accepts and uses moves after deadlines is dishonest to the other players and runs an illegal game.

**Example:** In Erehwon #27, published by Rodlie Walker, page #14 he admits to using moves from friends that were "as much as 9 days late" a direct quote! Well this is one person who will not play in such a sine. We hereby resign from the two games in his "Comedy of Errors". The rest of you can make your own decisions! (Rolie please note!)
